

Match Day Team Selection (Mobile)

Upon entering a match, you'll be presented with the Team Selection page, where you can select the team for either side before starting to score the match.

Highlighted Features

- (1) Swipe between the home and away team to select the team for each.
- (2) Displays the number of players that have already been selected.
- (3) Search bar to help search for the player you are looking to select.
- (4) The team list will automatically appear based on the squad list that has been pre-selected via RugbyLink.
- (5) Will direct to the scoring page.
- (6) Directs to the Edit Team page (see below).
- (7) To select a player for the team.

Edit Team

The screenshot shows the 'EDIT TEAM' screen of a mobile application. At the top is a dark blue header bar with the status bar (Telstra, 11:07 am, 82% battery) and the title 'EDIT TEAM' in white. A 'Done' button is in the top right corner, with a callout (2) pointing to it. Below the header is a pink circle with 'TC' and the text 'Test Club 1'. Underneath is the word 'LINEUP' in grey. The main area contains a list of seven players, each with a position icon in a circle, a number, a profile picture, a name, and three dots. A callout (1) points to the first player's position icon. To the right of the list are three horizontal bars with callouts (3) and (4) pointing to them. The players are:

Position	Number	Player Name
LHP	1	N Blacksmiths
H	2	L Bladerunner
THP	3	E Bottlebrush
LL	4	J Bouitufret
RL	5	C Brunt
LF	6	A Butterfield
RF	7	R Cyclist

Highlighted Features

- (1) Shirt / position value of the player.
- (2) Directs back to the Team Selection page.
- (3) Allows for changing the order / position of a player.
- (4) Brings up player setting options - select as captain, remove player, edit shirt number.

Note

Tapping on a players name displays their profile image (if set in RugbyLink) along with their full name.
