

Enter Match Review

This screen allows a review of the match to be entered. Match reviews are limited to approximately 15000 characters (including any HTML markup) for each match.

Each side competing in a match may enter their own review.

Entering Match Review

1. Select the **Season**, **Round** and **Grade** for the Match Review to be entered. Click **Go**.
2. In the large text area, write the review for the match. Line breaks may be entered with a normal carriage return, and HTML formatting may be used for emphasis.
3. Click **Update** and **OK** to Save Changes.

Umpires: Not specified

<p> </p>

Because of the browser used, Html must be entered directly. Carriage returns will be converted into line breaks.
A richer Html editor is available when Microsoft Internet Explorer is used,
or by using Version 2 of the editor (click the link on this page to change.)

Viewing Match Review

The match review can be viewed by selecting the **View Match Review** link underneath the text area, on the left side. Changes made to the Match Review won't be visible in the View Match Review screen until the **Update** button has been pressed.

Display on Public-Site

Check/un-check this option as required to make the match review visible on your public site.

See also the help topic [Html Editor](#) for further information about using the Html Editor to format your content. Alternatively, construct your review in a text editor such as Word, copy to the clipboard and paste the review into the text area. You should use the Code Cleaner tool (see [Html Editor](#) help) to remove extra formatting from Word if this approach is used.
