These labels might not appear if assoc does not set up - However these 4 field always display for club to enter more details about player nominated

Player	Each item shows a drop down list of all available players in club's database. Player can be easily viewed using sidebar scroll and clicked on for selection. The number of players displayed on Player list depend on setting by Association for the nomination process. Maximum is 15 players and minimum is none.
Other columns	<p>The other four columns are labelled differently depending on Association setting at Nomination form configuration stage. Here, the following labels have been used for collecting more particular information regarding DOB, Ranking, Years in Soccer, Years in club.</p> <p>Despite whatever labels called by Association, the four columns will be available for entering as much detail as possible about players to be nominated.</p>

Click **Update** to confirm the player addition.

This is a guide on how to handle additional players that are needing to be allocated to the team. However, players can be added to a team at anytime within the system .
