

Team Selection (MyCricket LiveScore Mobile)

[MyCricket LiveScore FAQ](#)

Team Selection screen comes up next after selecting the match to score. Eligible players for selection will show up in lists for both teams.

Highlighted Features:

- (1)** To return to the Matches List, tap on Cancel.
- (2)** See tabs for Home and Away Teams.
- (3)** See number of Players selected with the option to edit selected team.
- (4)** Use search bar to filter player list by name.
- (5)** To add player, tap on (+) or anywhere on the row of the Player name.
- (6)** To either continue to the Match Setup area or Save and Exit, tap on Done. 'Save and Exit' lets you save your team selections and exit back to the matches screen.
