Highlighted Features:

(1) To Select Captain, tap and choose from displayed list of Selected Players.

(2) To Select Wicketkeeper, tap and choose from displayed list of Selected Players.

(3) To re-order the batting line-up, touch and hold the () icon next to a player's name, and then drag it upwards or downwards as required. On Android, this is achieved by tapping on the up or down arrows next to a player's name.

(4) Tap on (X) to remove players from the line-up.

(i	Note
	You cannot remove players who have already taken part in the game (i.e. batted, bowled, taken a catch or been involved in a Run Out or Stumping)

(5) To replace a player with a different player from the same club, tap and choose from displayed list of players.
