

MyCricket LiveScore FAQ

The screenshot shows the Cricket Score app interface. At the top, the status bar displays 'iPad', signal strength, time '11:17 am', and battery level '100%'. The app header includes 'Save and Exit', 'Scoresheet', and navigation icons. The match details show 'Yarraville Club' (1/94) vs 'Doutta Stars' (1/99) with '98 balls remaining (Current rpo: 27.00)'. The '1st Innings' table lists batters: A Ambrosi (60 runs, 12 balls, 1 four, 8 sixes, SR 500.00) and P Barnard (38 runs, 8 balls, 1 four, 1 six, SR 333.33). Extras are nb 0, wd 0, b 0, lb 0. The bowler is N Burton (1.4 runs, 0 balls, 50 overs, 0 sixes, SR 30.00). A modal dialog box titled 'Information' is centered, stating 'Doutta Stars has now passed the score of Yarraville Club. Do you wish to end the match?' with 'Cancel' and 'OK' buttons. The right panel shows the 'Ball-by-Ball' score, with 'Over 4' completed and 'Over 3' in progress. The bottom panel features a numeric keypad (0-6, 5+, undo) and action buttons (WIDE, NO BALL, BYE, LEG BYE, WICKET, END OVER, MATCH ACTIONS). A yellow question mark icon is visible in the bottom right corner.

'Cancel' returns back to the scoring screen, 'OK' sends you to the scorecard screen for a final edit of scores.

Save and Exit

Finalise Result

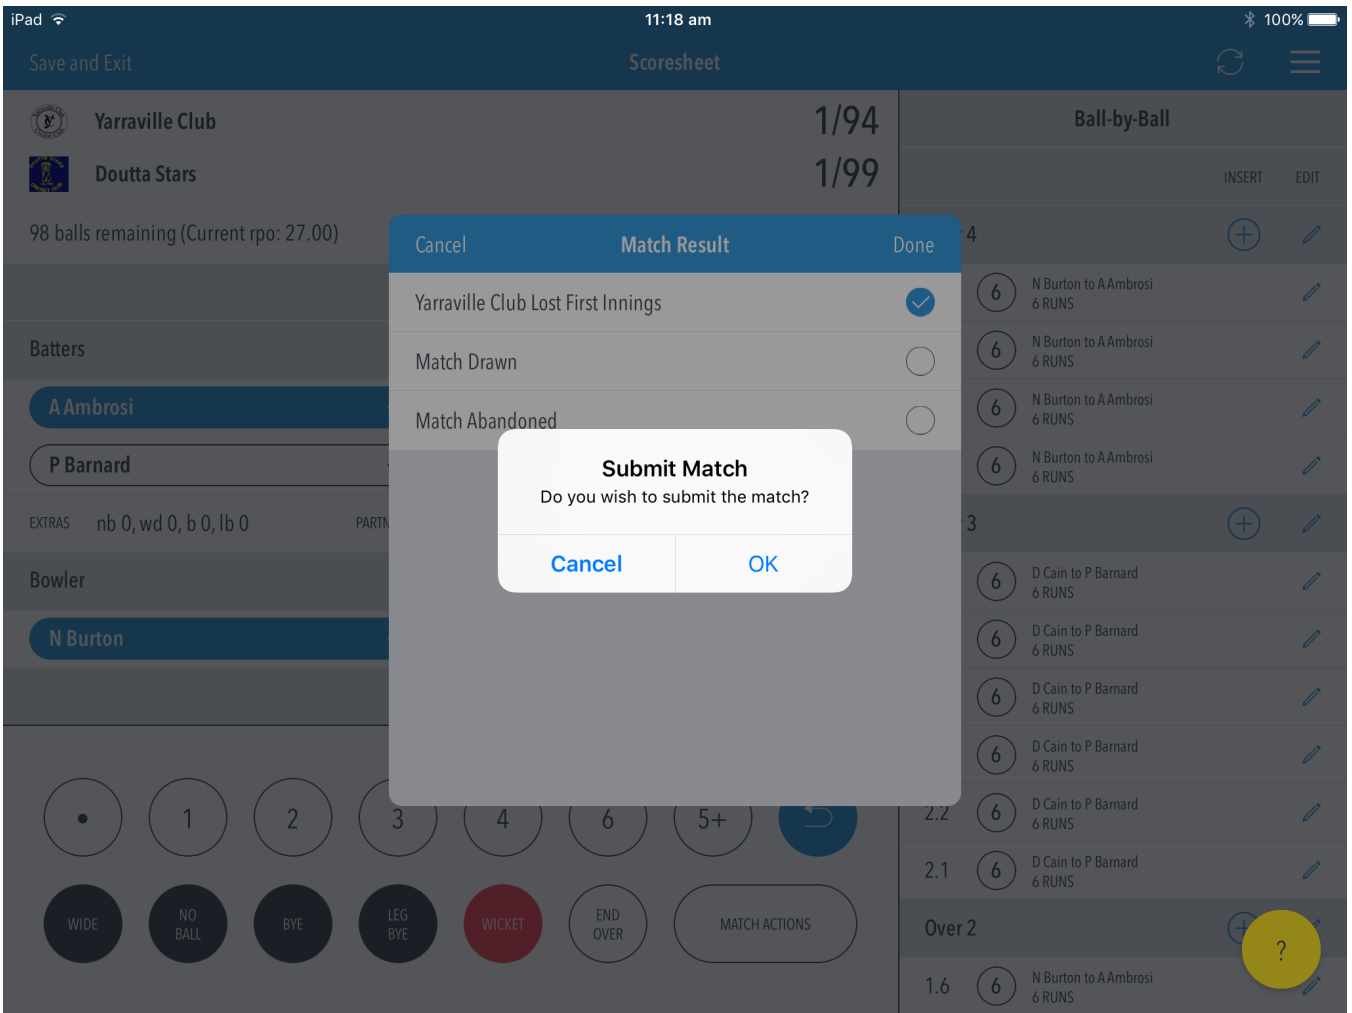

Cancel

'Save and Exit' takes you out to the match list page where the match can be reviewed or edited again upon entering. Please note that this will not submit the match result to MyCricket.

'Finalise Result' takes you to the Match Result area, where the final result can be selected.

Upon pressing 'Done', the Match Submit message will appear warning you that you will not be able to make any scorecard changes once submitted. Once OK has been pressed, the match scores and result will sync to MyCricket and you will be directed to the match list where your match will show in the completed section.

Note

If the app is not connected to the internet, an alert will appear to make the user aware that the match will not be submitted. Once in an internet zone, the user can submit the match again.

Once connected to the internet, ending a match (after the completion of Match Result) syncs the match scores to the MyCricket server and shows the match in the 'Completed Matches' section on the Matches screen.
