

Team Selection (MyCricket LiveScore Tablet)

MyCricket LiveScore FAQ

Team Selection screen comes up next after selecting the match to score. Eligible players for selection will show up in lists for both teams.

Highlighted Features:

- (1) To return to the Matches List, tap on Cancel.
- (2) See tabs for Home and Away Teams.
- (3) See number of Players selected with the option to [edit selected team](#).
- (4) Use search bar to filter player list by name.
- (5) To add player, tap on (+) or anywhere on the row of the Player name.
- (6) To either continue to the Match Setup area or Save and Exit, tap on Done. 'Save and Exit' lets you save your team selections and exit back to the matches screen.
