

Email players in a particular team

You can send an email to all players in a particular team (current season only) using this feature.

First, select the grade and round from the drop down, and click the Go button. The Recipient List will display the team of that grade and round.

Select the recipients, and then compose the email contents accordingly.

Email Players in a particular team ?

Select the Grade and Round, then click the button to display players for that team.
